TRAVEL INFORMATION

Just 6 months to go till the reunion weekend in the Philippines. For those who are making travel plans for the trip to the Philippines, we would like to pass on this information:

You can make your travel arrangements with Viscount Travel Agency. Please call (281) 921-4581 and ask for Allan Patricio. Please tell him that you are a member of Mekong Circle International. Any commissions the agency will realize from the sale of travel tickets will be turn over to our organization. So, the more who makes the travel arrangement with them, the more commissions Mekong Circle International will receive.

They are a wholesaler travel agency and deal with a lot of airline companies. They are highly recommended by non-profit groups for helping raise funds for organizations.

If you have any questions, please e-mail me at prdejesus@aol.com or call me at (513) 295-7866.
